Have Your Say!

Hemington, Luddington & Thurning Parish Council is working with Northamptonshire ACRE and Midlands Rural Housing to find out what homes our village needs.

Every five years, a Housing Need Survey helps us understand whether local people have the right housing options – now and in the future.

- All village households will receive a survey early in the New Year in January 2026.
- Please take a few minutes to complete it – your views will help shape future housing plans.
- The survey will arrive by Royal Mail (it's anonymous), and you can complete it online or by post. A pre-paid envelope will be included if you'd like to return it by mail.

If anyone in your household needs housing, please include your details where asked. This helps Midlands Rural Housing assess local needs accurately. All personal information is confidential, and the final report will be anonymous.

Together, let's make sure Hemington, Luddington & Thurning's housing needs are understood – for the benefit of our community today and in the future.

Thank you for taking part!

And for supporting this survey!
