26.03.08	<p><b>Financial Report</b></p> <p>a) The Clerk presented a report on the current bank position showing a balance of £11,691.13 at the end of February. Income and Expenditure is broadly in line with budget, though less is being spent on Clerk costs as there have been no extraordinary meetings and more than half of expenditure relates to payments for the traffic calming project which comes from designated funds. Cllr Wills reviewed and signed the file copy of the bank reconciliation.</p> <p>b) The following payments were <b>approved</b>:</p> <table border="1" data-bbox="376 1014 1254 1211"> <tr> <td>NACRE subscription to 31 March 2027 - £35 + VAT</td> <td>£42.00*</td> </tr> <tr> <td>NCALC training for Clerk and Cllr Drewery</td> <td>£105.60*</td> </tr> <tr> <td>Thurning Village Hall – 1 x meeting rental</td> <td>£20.00</td> </tr> <tr> <td>North Northants Council – 2025 election costs</td> <td>£70.00</td> </tr> <tr> <td>Elan City – solar panels and fixings for speed sign</td> <td>£1,080.10*</td> </tr> </table> <p>* Items marked with an asterisk include recoverable VAT</p> <p>c) The schedule of insurances was <b>reviewed</b>, noting in particular the levels of cover for Public Liability and Employers Liability. 26.03.09	<p><b>Employment Matters</b></p> <p>The Chairman reported that he and the Vice Chairman (acting under the Terms of Reference for the Remuneration Committee) had reviewed information in relation to the Clerk’s performance for the year. Their recommendation to the Council is that the Clerk’s performance has been satisfactory and that he should therefore progress one point up the pay scale on 1 April 2026 in line with clause 9.2 of his contract of employment. This recommendation was <b>approved</b>.</p>											

	The Chairman will confirm in writing to the Clerk as evidence for payroll.	
26.03.10	<p><b>Policy Approvals</b></p> <p>a) The Clerk advised that he had (as Responsible Financial Officer) reviewed the Financial Risk Assessment and had not identified any new risks. It was <b>agreed</b> that no changes were required and that the Clerk should update the policy to indicate this review.</p> <p>b) The Clerk submitted an updated Reserves Policy. The categories remain unaltered but the amounts have been updated to reflect the estimated position at 31 March 2026. It was <b>agreed</b> to accept these changes – the Clerk to update the policy document.</p> <p>c) The Terms of Reference for the Remuneration Committee were noted as overdue for review. Following review, and its use by the Chairman and Vice Chairman in relation to item 26.03.09, it was <b>agreed</b> that no changes were required. The Clerk will update to indicate this review.</p>	<p>Clerk 31/3/26</p> <p>Clerk 31/3/26</p> <p>Clerk 31/3/26</p>
26.03.11	<p><b>Community Governance Review</b></p> <p>The response to the consultation submitted by the Clerk was <b>noted</b>.</p>	
26.03.12	<p><b>Traffic Monitoring</b></p> <p>Cllr Gibson advised that the sign had now been moved to Luddington. Cllr Dawson advised that Martin Silcock and Lucy Price had agreed to manage the sign when in Luddington – she will provide them with Cllr Gibson’s contact details so that he may pass on the knowledge he has regarding its installation and the extraction of data to a laptop.</p> <p>Although no data has yet been reviewed, anecdotal evidence is that the sign is having a definite effect and that vehicles are slowing down as they approach the village (from Hemington). Cllr Gibson advised that data from Hemington downloaded before the sign was moved showed that 98% of vehicles were passing within the speed limit.</p> <p>The Clerk advised that he had just received a Grant Monitoring request from the Office of the Police Fire and Crime Commissioner and would respond appropriately.</p>	<p>Cllr Dawson 31/3/26</p> <p>Cllr Gibson 14/4/26</p> <p>Clerk 31/03/26</p>

26.03.13	<p><b>Highways/Footpaths/Public Rights of Way</b></p> <p>a) In relation to the application for the re-instatement of the footpath from Luddington to the Winwick Road, the Clerk advised he had met with Cllr Dawson to review the documentation before submitting. A resident had provided a further map showing the path (from the County Council Surveyors department in 1956) and this had a handwritten designation of NK4. This designation is in the same format as nearby paths and may indicate that it was on the Definitive Map at the time. Further research is being done to establish if this was the case and why it was removed, before submitting details for it to be re-instated and before alerting landowners that may be affected.</p> <p>b) The report of items referred to HORT (formerly known as FixMyStreet) was <b>received</b>. FixMyStreet still exists, but NNC now prefer the use of HORT (from their website) as they receive notification more quickly. Cllr Mallett advised that a new fenced corridor had been installed along part of bridleway NY4 from Thurning towards Hemington, and that the electric fence running along the top of it was dangerous to horses and not in accordance with British Horse Society guidelines. She has reported this on HORT and the item has been acknowledged. It was <b>agreed</b> that Cllr Strelczuk should also report it so that the seriousness of the issue is evident, and Cllr Capp will endeavour to raise the matter with the landowner.</p>	<p>Clerk 14/4/26</p> <p>Cllr Strelczuk 20/03/26 Cllr Capp 31/03/26</p>

It was <b>noted</b> that STAUNCH had received permission to take the decision on the Glebe owned warehousing site at Thrapston to judicial review, and that they are urgently seeking to raise the funds for this.</p> <p>b) No further planning applications had been notified up to the date of the meeting.</p> <p>c) The Clerk gave an update on the Housing Survey which closes 13/3/26 with a summary report available before the</p>	<p>Clerk 13/3/26</p>
