NE/23/00026/WASFUL	14/09/2023	Proposed Anaerobic Digestion Plant, Associated Infrastructure, Lagoons and Feedstock Clamps	09/10/2023	23.E10.04	Broad Support but: Transport Plan Lighting Feedstocks Landscaping Road improvement Community benefit		Clerk	23/10/2023			Request for update sent to Officer 20/3/24 Phone update received 04/04/24. NNC and Cambridgeshire have concerns re highways and surface waters - extension granted and meeting expected between authorities. 27/6 Still in progress, further extension agreed with the applicant. Email sent for further update 7/11 Response - further extension agreed to review highways issues with Cambridgeshire Approval given by Cambridgeshire for the connection site to the gas main only. Notes that if NNC approve the main application, then a further application to Cambridgeshire for any highways issues would be required. An application has gone to CCC for redesign of junction with B660 - Gt Gidding PC have objected. Now formally consulted by NNC regarding the road improvements. Further consultation 6/5/26 re removal of maize feedstock. Letters to be approved 14/5/26.				In-progress
