NCALC have now heard back from the course presenters in relation to 'What is Neighbourhood Planning'. They would be willing to put on a special event face to face for this Parish Council at a cost of £650. This contrasts with individual online attendance at the NALC arranged events of £30 per person, so £300 for all Councillors and Clerk. At present the only date announced is 21/10/26 and this is fully booked. NALC intend to arrange further dates.
