PLR Changes

- If there has been a change of PLR, you need to notify NCALC and complete the form [here](#)
- Please note that there is only **one** PLR contact for each council or meeting, regardless of size. If you would like to add additional people to the mailing list to receive the monthly update and other communications, you can contact NCALC.
- You should also notify your PCSO if there has been a change of PLR and provide the contact details of the new PLR or an interim contact detail (eg the Clerk or a Councillor)
- If you have a change of email address, you need to inform NCALC and your PCSO, so we can ensure we can still reach you. You can find contact details at the end of this update.

Northamptonshire Talking

We aim to send all PLR digital communications through our [Northamptonshire Talking](#) platform. It is essential all PLRs register on the platform using their council email address so that you can be added to the PLR group. The system uses location based messaging, therefore all communications you receive will be relevant to your area and your council.

PLR CONFERENCE 2026

The PLR annual conference will take place online on **16 June 2026 from 7-9pm**

Following feedback from last year's PLR conference, this year you will have the opportunity to select two breakout rooms to attend. The breakout room topics are:

- **Rural Crime** - An overview of the current trends and themes in rural offending, the activities the team are undertaking to support rural communities, and opportunities for communities to support rural crime prevention activity
- **Anti-Social Behaviour Plan** - An overview of the ASB action plan and what communities can expect to see on the ground from Neighbourhood Policing Teams in their area
- **Immediate Justice** - An overview of how the immediate justice initiative works, the successes achieved to date, and how Parish and Town Councils can flag areas of their communities that could benefit from immediate justice activity.

Updates

In April, the Northamptonshire Police Clear Hold Build team working with partners was presented with an award at the annual SOC Local conference. Clear Hold Build is a three-step plan that sees crime and anti-social behaviour, offenders and their associates cleared from an area through targeted investigative and enforcement activity. The area is then held and stabilised through high-visibility policing, support from partner agencies and community involvement. Read more [here](#).

In Northamptonshire, there has been 151 victims of romance fraud during the 12-month period, resulting in the loss of £1,092,936, which has prompted officers from the county's Economic Crime Unit to support a national campaign to raise awareness of this type of fraud. Romance fraud typically involves sustained contact, with offenders carefully building trust and emotional attachment with the victim before creating a situation where the victim feels they should send money. Now in its seventh year, Operation Snap continues to reap the rewards of public support with nearly 3,000 dash-cam videos submitted to Northamptonshire Police in the past 12 months. Between April 2025 and April this year, the Force's Safer Roads Team reviewed 2,899 videos submitted by more than 1,400 individual witnesses compared to 2,340 clips for the same 12-month period in 2024/25. NEWS

www.northants.police.uk

An operation led by Northamptonshire Police's Safer Roads Team and assisted by the National Police Air Service saw 140 e-scooters and e-bikes ridden by suspected criminals taken off the streets of Northampton. Operation Journey took place between March 14 and March 28 and saw five days of action in response to reports of crime perpetrated by people using e-scooters and e-bikes. It also responded to public complaints about these vehicles being ridden in an anti-social manner. Read more [here](#).

Twenty-three drivers were stopped by the Kettering Neighbourhood Policing Team in just one day after being caught speeding during a special day of action aimed at improving road safety across the town. The checks were carried out last month (April 17) across six locations in the Kettering area, which resulted in three drivers issued with a fixed penalty notice after exceeding the 30mph limits in Deeble Road and Polwell Lane (Burton Latimer). A new knife amnesty bin has been installed outside the Methodist Church on School Lane in Kettering town centre as part of ongoing efforts to tackle knife crime and support communities across Northamptonshire. The bin provides a safe and anonymous way for members of the public to dispose of knives and weapons. The installation forms part of Northamptonshire Police's support for the national knife crime awareness campaign, which aims to reduce serious violence and encourage safer communities.
